

Details of the installation

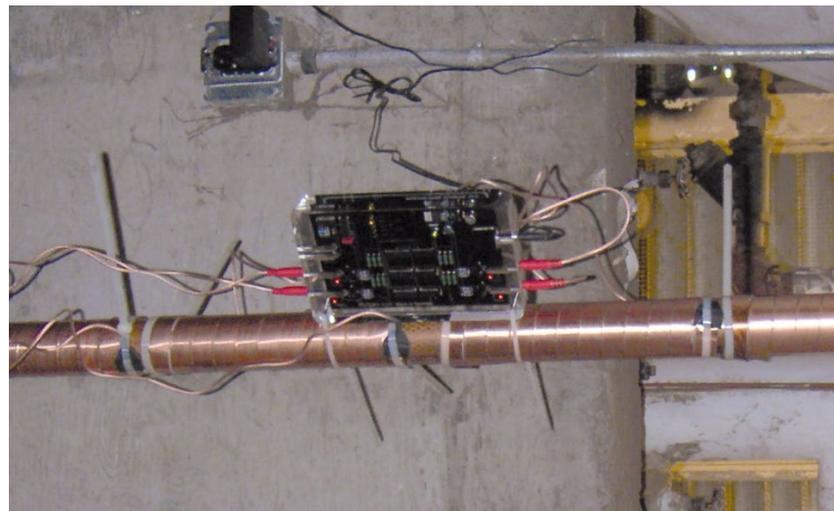

Model:	Vulcan S25
Location:	Clerfond Automobiles Car Wash Av. Rhin et Danube 72200 La Flèche France
Installed by:	CWT Preval France

Clerfond Car Wash

After Vulcan installation

The car wash is located in Clerfond. Cars have big problems with scale. After installing Vulcan, scale deposits disappeared from pumps, filters, nozzles and brushes. The use of detergents has been reduced considerably, and recently, cleaned cars have no trace of scale.
