### About Emirates Hills

Emirates Hills is the flagship community of Emirates Living – consisting of exclusive custom built properties, on plot sizes ranging between 12,000 and 45,000 square feet. Wide, quiet streetscapes are lined with trees and lush landscaping, with most properties overlooking the championship standard fairways and greens of the Montgomerie at Emirates Hills Golf Course. There are 17 lakes and three large beautifully landscaped parks, perfect for strolling or enjoying play time with the family.
