

HONGFENG HOTEL

INSTALLATION DETAILS

Location: Hongfeng Hotel

www.hongfeng-hotel.com

Model:  Vulcan 5000

Purpose: Extend cleaning intervals of the evaporator

Result: Without Vulcan, the evaporator had to be cleaned manually once a year. One year after installing the V5000, there was no scale found at all, and all the tubes kept clean.

HONGFENG HOTEL

Hongfeng Hotel is located in a bustling commercial and entertainment center, provides all kinds of luxurious and comfortable guest rooms, complete facilities and elegant environment.

One year after installing Vulcan 5000, the workers opened the evaporator for cleaning: there was no scale found at all, and all the tubes kept clean.
