

Sélection du Pâtissier has been making gourmet desserts for 25 years.

INSTALLATION DETAILS

- Location: Sélection du Pâtissier Québec, Canada www.selectiondupatissier.com
- Model: Vulcan S10
- Installed by: Gestion L.B. Inc
- Problem: Needed to clean with chemical and manually every 3 months.
- Result: The owner of SÉLECTION DU PATISSIER has seen an improvement since installing the Vulcan S10 device. He noticed less limescale buildup on the fins of the steamer pots. Scale has softened and fallen out. Overall he is happy with the work of the device.

Vulcan S10 was installed to treat the whole piping systems.
